

BSYP MEMBERSHIP FORM

There are plenty of networking groups in Bishops Stortford catering to the business community. There are also a lot of professional firms in the town (and surrounding areas) with a high number of young staff. We want to create something different which does not represent simply an opportunity to further business or professional links but which could provide an environment where new friends could be made in an informal way. For that reason you are unlikely to find that we meet and listen to a talk on tax planning or the law of contract - not of course that these subjects are not highly stimulating! You are more likely to find that wherever we meet there will be a bar nearby and we will hold events such as quiz nights, wine tasting, rounders, parties and anything else we (or you) think of. Whilst it is not our intention, it will also inevitably offer the opportunity for local professional networking.

MEMBERSHIP

Annual membership currently costs £25 per person per year. It is hoped that firms will be prepared to pay for these subs for which they will be entitled to a web link from the links page of www.bsyp.co.uk when it is fully operational. Members receive regular emails about forthcoming events, a BSYP name badge and subsidised prices at events. Membership forms are also available via email. Please complete the form on the reverse of this sheet and return it to BSYP or email info@bsyp.co.uk.

COMMITTEE

BSYP is still young (formed in March 2005) and is run by a small committee who take it in turns to organise events. If you are interested in getting involved please let us know - we are always happy to have more help or ideas on how it works. Please see the website for contact details.

SPONSORSHIP

As we are a non profit making group we are always looking for support to help fund events and grow the membership of BSYP. Firms are encouraged to support our various events for which we will be pleased to provide further promotional visibility on www.bsyp.co.uk. Other non member firms may also wish to contribute to and help with our costs since we have and will continue to grow our membership. Please contact any of the committee if this is something in which you are interested.
